Sir,

With reference to the Hassan Deputy Commissioner's letter No. 424 dated 4th January 1888, Copy of which was forwarded for my information, I have the honor to inform you that I agree with the Deputy Commissioner in thinking that serious inconvenience is caused by the constant withdrawal of officers and men from Police duty for attendance at the Sessions

Sessions Court in Mysore.

This inconvenience is also felt by the Revenue & Medical Departments; the latter in particular being one where its officers should be taken away from their hospitals, dispensaries & patients as little as possible

On the same grounds of general inconvenience it seems advisable that Sessions should be held at Chittaldroog for the Chittaldroog District, instead of at Shimoga.

From.

T. R. A. Thumboo Chetty Esquire
Officiating Chief Judge
of Mysore.

To

R. Seshadri Iyer Esquire, C.S.I.
Dewan of Mysore.

Sir,

In reply to your letter, Camp No 394 dated 12th May last, enquiring whether this Court is now prepared to direct periodical Sessions being held at Kopan and Chitaldroog, I have the honor to state that, after a careful consideration of the question, my Colleagues and myself are of opinion, that, as a tentative measure, the Sessions Judge of Mysore may hold Criminal Sessions once in two months at Kopan, and report, after a year's experience, how the system has worked.

2. The Sessions Judge of Nagar now holds Criminal Sessions once a month at Shimoga, and once in three months at Chitalmagalur, while all Sessions Cases from the Chitaldroog District are sent to Shimoga. We propose that, as a temporary arrangement, Colonel J. A. Campbell, the present Offg District Magistrate of Kadur, be

invested under Section 30 of the Code of Criminal Procedure / Act X of 1882 / with Power to try, as a Magistrate, all offences not punishable with death. Colonel Campbell was, before the Sanction, a Sessions Judge for Several years, and may, therefore, be safely entrusted with the enhanced Powers now recommended. This measure will obviate the necessity of the Sessions Judge of Salem going to Chittoor, as one or two murder cases, that may occasionally be committed, may be tried at Shimoga, and the Judge, instead of going to Chittoor, might proceed to Chitaldroog, once in three months, for the trial of Sessions cases connected with that District. I may here state, for the information of Government, that in 1881, there were only 4 Sessions cases from the Kadur District, while there were 11 cases from the Chitaldroog District. A report will, however, be called for from the Sessions Judge of Salem, as to the working of these changes after a year's experience.

3. I hoped the above proposals meet with the approval of Government, I request that, as suggested in Para 2, a Notification under Section 30, Criminal Procedure Code, be published at an early date.
